Summary

I am an enthusiastic and dedicated engineering student with a strong foundation in programming and a keen interest in software development. I am seeking opportunities to apply my technical skills in real-world projects, contribute to innovative solutions, and grow professionally in the field of computer science and technology.

Education

Bhagwan Parshuram Institute of Technology	Delhi
Bachelor of Technology in Computer Science and Engineering	08/2024 - 05/2028
CRPF Public School	Rohini, Delhi
Class 12th (CBSE)	04/2023 - 05/2024
CRPF Public School	Rohini, Delhi
Class 10th (CBSE)	04/2021 - 05/2022

Key Achievements

Top Academic Scorer
Achieved 97.3% in Class 10th and 94% in Class 12th, recognized among the top scorers in school.

Coding Workshops and Hackathons
Participated in various coding workshops and hackathons.

Skills

Computer Vision · Git · Github · Java · ms office · Python

Projects

Cyberbullying Prevention and Intervention Strategies

Cyberbullying: Prevention and Intervention Strategies

- Collaborated with a team to develop strategies for preventing and addressing cyberbullying.
- Focused on creating awareness and promoting safe online interactions using AI-based tools and computer vision.

Smart Campus Safety Solution

Smart Campus Safety Solution

- Developed a real-time safety monitoring solution to enhance campus safety.
- Implemented emergency alert systems and location tracking integrated with local authorities for immediate response.

Passions

College Coding Club Member
Member of the College Coding Club Anveshan.

Music Competitor
Participated in various Zonal Level Music Competitions.
